The Special Needs Schools of Gwinnett, Inc. is a recognized charitable organization, FEIN 58-1757787. SNS is a private, non-profit organization dedicated to providing both educational and therapeutic services to children with a wide range of disabilities, and to a limited number of enrolled typical students. SNS provides a loving and challenging environment for special needs children from preschool age to young adult. Its mission is to nurture and challenge each student on his or her own level in all developmental and curricular areas; to instill in each student a positive self-image and love for learning; which will lead to life long learning and personal development; and to support parents in their children's needs and abilities and in their quest for the best learning environment for their children.
